basis		The amount of economic benefit is Less than 3 million yen 300,000 yen More than 3 million yen but less than 30 million yen 2% + ¥240,000 More than ¥30 million but less than ¥300 million 1% + 540,000 yen In excess of ¥300 million 0.5% + ¥2.04 million
Particularly complicated or special circumstances		Amount to be determined by consultation between the attorney and the testator
When court proceedings are required for the execution of a will		In addition to the probate fee, the court procedure fee The attorney's fee may be charged as follows.

5. voluntary guardianship and

property management/personal  
custody

existence or non-existence of the client's capacity to understand the client's affairs, the degree of the client's capacity to understand the client's affairs, the state of the client's assets, and other circumstances that should be understood (in managing the client's assets or in providing personal custody), prior to the conclusion of a contract.

I shall apply mutatis mutandis.

(2) (a) Attorney's fees when the processing of delegated affairs is started after the conclusion of the contract (b)

When processing basic affairs necessary for daily life

...within the range of ¥5,000 to ¥50,000 per month

(b) In addition to the above, to manage income-producing real estate and handle other ongoing administrative tasks

...within the range of ¥30,000 to ¥100,000 per month

However, in the event that the attorney has required the processing of administrative work that does not fall under the category of routine or continuous processing of delegated affairs, such as the disposition of real estate, or in the event that court proceedings, etc. are required for the processing of delegated affairs, the attorney may receive a fee calculated in accordance with this provision in addition to the monthly attorney's fee.

(3) Fee for visiting and interviewing the client to confirm the client's capacity to understand the client's case until the contract is concluded and becomes effective.

Within the range of ¥5,000 to ¥30,000 per visit

Other

Advisory fee

classification	Amount of attorney's fees
For businesses	50,000 yen or more per month
For non-businesses	60,000 yen per year (5,000 yen per month) or more

2. daily allowance

classification	Amount of attorney's fees	remarks
half day	More than ¥30,000 but less than ¥50,000	(iii)
one day	50,000 yen or more but less than 100,000 yen	

remarks

- (i) Unless otherwise specified, the starting fee shall be calculated based on the amount of economic profit of the subject of the case, etc., and the fee shall be calculated based on the amount of economic profit secured through the handling of the mandate, respectively.

Criteria for calculation of possible

(a) Monetary claims      Monetary claims      Total  
amount of claims (including interest and late  
payment) b      Future claims      Total amount  
of claims less interim interest

(c) (c) Seven-tenths (7/10) of the      total amount of claims for continuing benefits.  
However, for those with an indefinite term, the amount for 7 years (d) (d) In the  
case of a claim for increase or decrease of rent, the amount equivalent to 7 years of  
the amount of the      increase or decrease.

(e) Ownership      Equivalent to the market value of the subject property  
~1      One-half of the      market value of  
the object subject to the right of possession, superficies, perpetual lease, lease and  
usufruct; provided, however, that if the market value of the right exceeds its market  
value, the amount equivalent to the market value of the right. However, if the market  
value of the right exceeds its market value, the amount equivalent to the market value of  
the right.

G. Cases concerning ownership of a building      The amount equivalent to the market  
value of the building plus one-third of the market value of the site

The amount obtained by adding one-third of market value of the site to the amount of  
the case "      to" concerning the right of  
possession, the right of lease and the right of use concerning the building

h. One-half of the      market value of the easement      successor land

li Secured Claims.      The amount of the secured claim. However, if the market value of  
the collateral does not reach the amount of the claim, the amount equivalent to the  
market value of the collateral

No. Cases requesting the registration of ownership, superficies, perpetual leasehold,  
easement, leasehold, and security interest in real estate      The amount equivalent to (e),  
(f), (h) and (i)

Le.      case of a claim for rescission of a fraudulent act.      The  
amount of the claim for rescission. However, if the value of the subject matter of the  
legal act to be rescinded does not reach the amount of the claim, the value of the subject  
matter of the legal act

(e)      Co-ownership division request case: 1/3 of the market value of  
the special portion that is the subject of the division. However, if there is a dispute over  
the scope of property subject to partition or the special portion, the amount of the scope  
of property subject to partition or the amount of the special portion

Wa      Claims for division of inheritance      The amount equivalent to the  
market value of the subject inheritance. However, if there is no dispute as to the scope

of the property to be divided or the portion of the inheritance, one-third of the market value of the inherited portion.

- (f) Cases of claim for reduction of residual property      The amount equivalent to the market value of the residual estate subject to the claim
- (iii) Civil fitness execution cases concerning monetary claims      Civil Fitness Execution Cases Concerning Monetary Claims      The amount of the claim. However, the amount equivalent to the market value of the property subject to execution (in cases where there is a burden such as establishment of a security interest or provisional seizure, the amount equivalent to the market value taking such burden into consideration)

#### Criteria for Calculation of Non-Computable

The fee shall be 8,000,000 yen. However, the amount may be increased or decreased in consideration of the difficulty or lightness of the case, the complexity of the work, and the benefits received by the client.

If there is a discrepancy between the amount of economic benefit and the actual amount of the dispute or the amount received by the client, the amount shall be increased or decreased.

- (2) "Simple case" means a case that is not expected to be particularly complicated, difficult, or frequent, and that is not expected to require special effort or time to handle the delegated affairs, and is a case of circumstance in which the facts are not in dispute before indictment, and a case of circumstance in which the number of open legal proceedings after indictment is expected to be around 2 or 3 times (excluding cases involving final appeals). (2) "Case with a circumstance" means a case in which the facts are not in dispute before indictment, and a case with a circumstance in which the number of openings is expected to be two or three after indictment (excluding the case of appeal).

(2) When the same attorney continues to handle a case that he/she accepted before the indictment after the indictment, he/she shall be entitled to the starting fee of (1).

The starting fee for a case before indictment shall be half of the starting fee for a case before indictment. However, the fee for a simple case shall be half of the fee for a pre-indictment case.

(2) When the same attorney continues to accept cases on appeal, the starting fee and the fee may be reduced. The amount of work per case is reduced in proportion to the percentage of the number of additional cases because the additional cases are of the same type.

(2) If the amount of the initial fee and the remuneration is reduced, the amount of the initial fee and the remuneration may be reduced if the amount of the

The fee for the withdrawal of a public prosecutor's appeal or the dismissal of an indictment, the dismissal of a prosecution, the commutation of a sentence, the remission of a sentence, or the transfer of a case for destruction shall be in accordance with 1, taking into consideration the amount of time spent and the amount of work involved.

- (iii) Half day (more than 2 hours and up to 4 hours round trip) Full day (more than 4 hours round trip)
